Assignment-3

Give 3-4 Tactics:-

1.) Is to Target people who drink whisky Try to Encourage them to drink Tequila instead of whiskey?

Ans:-

1.) Position Tequila as a Premium:-

Highlight aged tequilas as comparable to whisky in complexity, smoothness, and barrel to connect with whisky lovers' taste preferences.

2.) Host Comparative Tasting Events:-

Organize blind tasting experiences where participants sample whisky alongside age Tequila. Educate them on flavor notes to show similarities and convert curiosity into trial

3.) Cocktail Crossovers:-

Promote these as modern twists to intrigue whisky drinkers without pushing them too far outside their comfort zone.

4.) Lifestyle & Image shift Campaign:-

Rebrand tequil beyond "party shots" and emphasize craftsmanship, heritage, and sipping culture.

2.) Is to Target people who drink Tequila from other Brand Try to Encourage them to drink jose Cuervo?

Ans:-

1.) Authenticity Messaging:-

Promote the brand's long history and expertise in tequila production to build trust.

2.) Price to Quality:-

Position the brand as delivering strog value for money compared to competitors, quality standards, and consistency
